Difficult Conversations for Academic Administrators

Thursday, March 23, 2017, 3:00 - 4:30 PM
Hannah Administration Building, Room 443

Presenters:
Rachel Croson, Dean, College of Social Science
Bill Donohue, Faculty Grievance Official and Professor, Communication
Keith Promislow, Chairperson, Mathematics

One of the most challenging aspects of serving as an administrator involves the need to have challenging conversations. This panel will offer some strategies and answer questions with the goal of providing information to guide discussions with productive outcomes.

This session is open to academic administrators.
