Hannah Administration Building, Room 443

Barbara Roberts, Senior Advisor to the Provost and Executive Director, WorkLife Office

“Informal Conversations with Theodore Curry” take place throughout the year and are comprised of four-five meetings for all deans, department chairs and school directors. All new academic administrators within the first three years of their appointment are particularly encouraged to attend.

This is an optional program that allows participants an opportunity to ask questions about important dimensions of their work with campus experts.
