The Hub for Innovation in Learning and Technology at MSU: An Interactive Introduction

Tuesday, February 16, 8:00am - 11:00am
Kellogg Center, Big Ten B
(Registration at 8:00am; program begins at 8:30am)

Jeffrey Grabill, Associate Provost for Teaching, Learning, and Technology and Chair, Writing, Rhetoric, and American Cultures, College of Arts and Letters, MSU

The Hub for Innovation in Learning and Technology leverages MSU’s energy and inventiveness by connecting people, designing opportunities, and facilitating innovation. Continuing changes in higher education will enable opportunities for new ways to think, learn, create, and grow. This session will provide an interactive experience which invites participants to experience the design thinking that will characterize operations of The Hub and will provide a venue for initial conversations and interactions for future work.
